

CONTAINS ACETAMIPRID, THE ACTIVE INGREDIENT USED IN ASSAIL® 30 SG INSECTICIDE.

ASTER™

30 SG

INSECTICIDE

MULTIPLE STAGE CONTROL AGAINST DAMAGING PESTS

For long-lasting control from sucking and chewing insects on a broad crop range choose Aster™ 30 SG. A neonicotinoid insecticide, Aster 30 SG is fast acting against insects at all life stages by quick absorption into plant tissue and rapid movement via systemic translaminar activity.

KEY FEATURES

- Excellent tank mix partner choice for insect control
- Rapid uptake for entire leaf protection due to systemic translaminar activity
- Residual control from sucking and chewing insects
