

CONTAINS BIFENTHRIN, THE ACTIVE INGREDIENT USED IN BRIGADE® 2 EC.

INSECTICIDE

ALL-WEATHER FORMULA DEFENSE AGAINST MITES AND INSECTS

Apply Banister™ 2 EC mid to late season to achieve fast knockdown and extended protection against mites, stink bugs, bollworms, moths, thrips, and more. Bifenthrin is absorbed through the insect cuticle and through insect ingestion to eliminate insect feeding quickly.

KEY FEATURES

- Flexible air or ground application
- Protect yield longer with all-weather formula
- Dual MOA-absorption and ingestion for rapid insect control
